Boozhoo (Ojibwe for "Hello"),

Addiction Outreach

We recently just finished our addiction outreach that we did for 12 weeks. It did not turn out as well as I hoped and prayed. We did see a whole family come out one week but they did not return for the other weeks. It was good for us to stay committed to the 12 weeks and I believe the Lord was honored by that.

Ministry Opportunity

We recently were contacted by a church in Kansas who was looking to be involved in a Native American ministry. The pastor and four of the men from the church visited us in March to meet our family and the ministry. They were a blessing to us and the ministry! Some of the men from their church will be coming back in July to lay flooring down in our auditorium and do a basketball evangelistic outreach near the church building. Pray for this church as they prepare to help us and that souls would be saved during the outreach in July!

Hope Baptist Church

April 3-6, we had a Satisfied Revival meeting at Hope with Evangelist Ryan Swanson. Encouraging our regular attendees to be faithful to each service is a spiritual challenge. Unfortunately, most of our regulars did not attend the Satisfied Revival but each service the Lord brought people out from the community. The preaching was spot on and a challenge to all of us in attendance! On Saturday of our Satisfied meeting, we went out door knocking in White Earth. The very first house we went to was a lady and her daughter that came to one of our VBS days last summer. As I went to reintroduce myself, she immediately begins to ask for help to open the trunk of her car. Her trunk latch had broken and it had groceries in it. Long story short, Bro. Ryan was able to go through the back seat and make a temporary fix to her trunk. As a result of our "trunk" evangelism we were able to see this lady Faith and her daughter Marylin come to church on that Sunday. Pray for their salvation!

Easter Sunday

On Easter Sunday, I preached from Matthew 28:1-9 on The Reality of Jesus' Resurrection. We had our largest Sunday attendance with 24! There were two new families in attendance. One of these families are praying about coming regularly! The husband and wife have clear salvation testimonies and they have adopted seven reservation kids from 6 to 19 years old that come from rough abusive home situations. Due to some of the abuse that some of the children have faced in White Earth they are being cautious with the kids if they should commit to going church in White Earth. Pray that the Lord will give them wisdom where they should be for church. This would be a huge answer to prayer if they were to join us!

Family

We are in the process of looking to purchase a new van for our family. Our van has almost 215,000 miles on it and has multiple issues with it. It has been a good van for us but we are maxed out and need a bigger van. We are specifically looking for a Ford Transit van with at least 10-12 seats. Please pray we can find the right one!

Mii-gwech (Ojibwe for "Thank you") to all the supporting churches that have sent many birthday cards over the last few months! We have birthdays from November-April! Thank you to the individuals from different supporting churches who recently sent us notes of encouragement. Your notes are an encouragement to us! Thank you for your faithfulness in prayer and financial support! May fruit abound to your account.
