## STAY THEIR HANDS Ministries

April-July 2024

Dear friends, family, and faithful supporters,

It is hard to believe that almost half of our first year has come and gone. There have been ups and downs, laughter and tears, but through it all God has been faithful! We are settling into a new home and a new way of life. God has given us wonderful Christian landlords who have been very gracious and kind which has made this transition much easier. In our last letter we mentioned the opportunity to preach a couple of revivals in MS while Torrie was recovering from carpal tunnel surgery. We saw four saved at Pleasant Dale Baptist Church, one being a cousin of mine! The following week we saw 29 saved at East Marietta Baptist Church, one being the pastors daughter and another being our very own Addie Reece! What a mighty God we serve!! We dare not boast in ourselves for there is nothing good in us save the Lord Jesus Christ living on the inside. It is the greatest privilege of our lives to simply be in His presence and watch as He does what only He can do each time another sinner bows before Him. As I write this letter the scripture comes to mind which is repeated four times in Psalms 107, "Oh that men would praise The LORD for His goodness, and for His wonderful works to the children of men!"

As mentioned above Torrie underwent Carpal tunnel surgery and recovered well. We thank each of you for your thoughtfulness and prayers during that time. Upon returning to our new home in Montana we have been blessed to be able to help several ministries. God allowed us to travel with Beartooth Mnt Baptist Church to Rapid City, SD where we were able to help with the installation of three AC units at the Lighthouse Baptist Press. This printing press is a ministry out of Liberty Baptist Tabernacle and has been responsible for sending millions of John and Romans to preachers all around the World. While there we were also able to help with assembling by hand several thousand John and Romans that would go to a missionary in the Philippines as well as John and Romans that could be taken back to Beartooth Mnt Baptist Church in Red Lodge, MT. This was a truly humbling experience as we held individual pages of God's Word and thought about the many men and women throughout the pages of history who have given their lives so that we could have a Bible! What a mighty God we serve! Shortly after our trip to SD we traveled to Butte, MT where we were able to fill in for Bro. Matthew Inboden and his family at Lighthouse Baptist Church for a three week period. During this time the Inboden family was able to travel back East and spend some well deserved time with friends and family that they do not often get to see. God gave us a wonderful time there with the people in Butte and also provided a way for us to be a blessing to the Inboden family. While they were away we were able to split their firewood for the coming winter and were also able to do some remodel projects on their decks. We thank God for people like the Indodens who have given their lives to serve the Lord and we praise the Lord He gave us the opportunity to be a small blessing to them and their ministry.

The remainder of the quarter was very exciting as our children were asked to sing at a revival meeting at Arapahoe Baptist Church in Arapahoe, WY where Bro David Black is the pastor. This Church has been a great blessing to our family and is undergoing an exciting building project. They have already poured the foundation for a new sanctuary and are trusting God to provide the remaining funds for the building. I encourage all of our supporters to consider investing in this wonderful work. If you can give please give and send to; Pastor David Black PO Box 1247 Lander, WY 82520. Also, if you have construction type skills or your church has a ministry involving craftsmanship please feel free to reach out to Bro Black at (307) 287-4970.

later in July we were privileged to host 16 of our very closest family for a couple of weeks at our home in Roberts. It was a great blessing to be able to spend time with those we love the most and to be able to show them the place where God has called us to serve. We were all able to attend Beartooth Mountain Baptist church together while they were here and Bro Pruitt remarked that he believed the over 50 in attendance was one of the largest crowds he had ever preached to there in Red Lodge. What a blessing!!!

# STAY THEIR HANDS Ministries

April-July 2024

We look forward to the remainder of this year. God has seen fit to keep us busy as our schedule has already nearly filled up through the end of December. The Lord continues to provide for every step of the journey in ways that we could never imagine. Bro Russell Pruitt has felt led of The Lord to help us in purchasing a newer and more spacious camper that is better suited for our needs when we travel. He asked his church to lead the way in the purchase and invites any others that would like to give towards it to send those funds to Beartooth Mountain Baptist Church at PO Box 2074, Red Lodge, MT 59068 and Memo Willard Camper. The total purchase cost was a little over 29,000 and several churches have already given towards that. As of now about 13,000 has been raised. We can't say thank you enough to those who support our family and we are excited to be able to use this new camper soon as we have a 5-6 week trip coming up in September.

I made a statement to my children a few days ago and since then the thought hasn't left my mind. I said, "I want yall to never forget that everything we have comes by way of God's people. Every bite of food, every stitch of clothing, every gallon of gas, EVERYTHING!!!!" How could we ever say thank you enough? We Thank God for the churches, pastors and people He has placed in our lives and for allowing us to partner together to Stay Up The Hands of God's men and their families! God bless you all!
