# STAY UP THEIR HANDS Ministries

October-December 2025

Dear Friends, Family and Faithful Supporters,

I hope this letter finds you well and faithfully serving the Lord. God has certainly been good to us. I am reminded of the verse of Scripture in **2 Timothy 2:13**, "*If we believe not, yet he abideth faithful: he cannot deny himself.*" This fall, we lost \$400 worth of financial support, and it would be untruthful for me to say that I was not concerned. Yet in the weeks that followed, God not only replaced what we had lost, but almost doubled that amount. There have been times when my faith has not been as strong as it should be, but there has never been a time when He has not been faithful. I bless the Lord!

The past few months have kept us busy and on the road. In late September, we left our home in Montana, pulling our fifth wheel, and did not return until November 18. During that trip, I was privileged to preach in a revival meeting at Gum Springs Baptist Church in Lawrenceburg, Tennessee. It was a blessing to meet new friends, and we were also grateful for this church taking us on for financial support.

While we were in the South, God allowed us to visit several of our supporting churches. It is always a blessing to go back and thank those who have such a vital part in allowing us to accomplish the work God has called us to do. After the revival meeting in Lawrenceburg, we headed north to Arlington, South Dakota. While there, we were able to fill in on a Sunday morning for Brother Lamar Whittamore at Harvest Baptist Church, and I also filled in for about two weeks for Brother Robbie McClelland at Arlington Baptist Church. This marked the fourth year we have had the privilege of being with the folks there in Arlington. They have not only become supporters of our ministry, but have become some of our dearest friends, and our time with them is something we look forward to every year.

After leaving Arlington, we arrived at Junction City Baptist Church, where we spent two weeks with Brother Adam Langston and the church family there. This church has become not only a place where we are able to minister, but

a place God uses to minister to us. This trip was especially special, as some of our family drove up from Mississippi and were able to attend church with us on Sunday morning.

From there, we returned home to Roberts, Montana, for some much-needed rest. Since then, we have enjoyed being with Brother Russell Pruitt and his family at Beartooth Mountain Baptist Church. Some sickness kept us from traveling and being with Brother Kim Earhart and Clark Fork Baptist Church these past few weeks, but praise the Lord, everyone seems to be well now.

We are looking forward to spending the Christmas holidays with family and beginning the new year. It's hard to believe we are about to begin our third year as residents of Montana. Where has the time gone? I wanted to say a special word of thanks to those who have given special love offerings for different preachers and needs this year. It is very humbling that you would trust us enough to support people many of you have never met.

As we look ahead to the new year, our schedule is already beginning to fill all the way through the month of April. We are excited to see what God will continue to do with our family here in the Northwest as we do our best to be an encouragement and help to the men of God and their families whom the Lord has called to minister in this place. Once again, thank you so much for your faithful support and love for our family. We could not do what God has called us to do without each and every one of you.
