Dear Praying Churches
and Friends,

It has been amazing watching God work these last 3 months here in the Yucatan!

The first of this year, we started weekly Sunday night services in the village of Euan. We have evangelized the town multiple times and are seeing new faces, which is exciting! Several have asked Christ into their hearts. We are continuing with the weekly discipleship classes, and the people are really enjoying those. We have seen tremendous growth in the last few months. In March, we started a children's meal center in this village. The children of the village are able to come and be taught a Bible lesson, learn songs, Scripture memorization, etc., followed by a filling meal. Their parents who bring them, are able to attend the service at the same time. There is always plenty of food left for the whole church to enjoy after service. They really enjoy the fellowship during this time. Our largest attendance has been about 25 people. We have had so much help and support from the people of Resurrection. Bro. Felipe Turriza and his wife Gaby are with us every single week. Gaby helps teach the children and Bro. Felipe translates and does all of the sound and tech work, as well as so much more. Bro. Carlos Basto and his wife, Rita have been a huge help with the meal center and doing the lessons every week. We couldn't do it without them! It has also been such a joy to work with our team here in the Yucatan, The Wards and

Miskovics. God is weaving our hearts together and we are so grateful to have them. Only He could orchestrate something like this that works so well! - Ephesians 4:12 - And if one prevail against him, two shall withstand him; and a threefold cord is not quickly broken.

At Resurrection, we just had our yearly Missions Conference. We started on a Saturday with a Youth Rally, where multiple churches brought their youth. We had a total attendance of about 180 people at this event, and then went right into the Missions Conference, Sunday through Wednesday.

We enjoyed a visit from Bro. Craig and Sis. Tammy Mason in the month of March. They were such an encouragement to all of us! Bro. Craig preached at a couple of the churches here and Sis. Tammy taught at a ladies' meeting.

Jonathan is kind of liking this only child thing! He's learning Spanish quickly and starting to find his place in Church with the youth. Stephen and Isaiah are settling in well back home in their jobs and at church.

Thank you again to everyone one of you who labor daily with us in prayers and support! We appreciate each of you! May God richly bless you!
